The demand of the aspiration
of East Timor Peoples .

Dear honorable mister,
The General Secretary
of United Nations
in New York .

Dear Mister,

By the inspiration of Almighty God,in this special opportunity we the Clandestine Organization Liga Estudantil e Nacionalistas Timores (LENAT),on behalf of whole people of East Timor,come infront of you,the honorable,to inform the human right violations by Indonesian soldiers against East Timor people and by this opportunity we would like to tell you the aspiration of all peoples of East Timor.

Dear Mister,the General Secretary of United Nations.
The invacy of Indonesia to East Timor since 7 of December 1975 until now human right violations by Indonesian soldiers against East Timor people is never end,and we have lost our right since their ocupation in 1975. The concequence of this cruel situationn more then 200.000 peoples have died from 800.000 habitants of East Timor before.

According to human right violations against East Timor peoples by Indonesian soldiers,so the Clandestine Organization that playing an important role besides of Comando Registencia Armada - that lead by Mr. Xanana Gusmao,have a big attention and struggle hard to acieve the solutions of East Timor's hope.

The struggle of East Timor peoples is proper accept by International World because this struggle is according to the United Nations charter.So by this special oppor tunity we would like to tell you the hope and aspirations of East Timor peoples as follows :

1. We demand our right for self-determination
2. We hope the United Nations to solve our problem as soon as possible by REFERENDUM .
3. We are very support to the Referendum that stated by Adminis - trador Apostolic of Diocese Dili,Mgr. Carlos F.X. Belo to the General Secretary of United Nations dated 6 February 1986.

4. we hope the United Nations to persuade Indonesian government in order to respect the resolutions that has stated by United Nation General Council Assembly No. 3485 and United Nation Security Council No. 384 in the year of 1975 that have been appeared in the United Nations Agenda in 1980.
5. We hope United Nations to persuade Indonesian government to respect the last resolution that stated by United Nations - No. 3730 in 1982.
6. We are very support the resolutions that stated by Europe - countries that sponsored Portugal in 1992 after the accident of 12 November 1991 in Santa Cruz Dili.
7. We are very support the clear action of International Amnesty or Human Rights Organization against Indonesian government - according to the violations to East Timor peoples .

That's all our hope and symphatic to the honorable Mr.General Secretary of United Nations Organization with Human Rights Commission to make attention to the crying of East Timor peoples and solve East Timor problem as soon as possible.

Thank's .

East Timor, 9 April 1992.
